

St. John's Bath Nursery School
St. John's Evangelical Lutheran Church
206 E. Main St.
Bath, Pa. 18014

PURPOSE

Our purpose is simple. It is to provide quality preschool experiences for 2, 3 and 4 year olds.

We recognize that there is a need for preschool aged youngsters to be provided with experiences that will prepare them for the beginning of formal education. These experiences should allow a child to develop social skills that will make coming in to contact with a large peer group, in school something less traumatic. We want to make the adjustment from child at home, to pupil, a natural progression that will allow the child to feel comfortable and ready to learn and grow. Each child will show this development at his/her own pace. We should hope that at the end of our program each child will have either begun, completed, or be into this process of growth.

We are not attempting to “short circuit” the kindergarten experience. We recognize the school district’s need to pursue its own course of education and experience. Any attempt, on our part, to have our children get a “head start” could defeat our prime aim to facilitate learning in school. For example: If we were to have each child learn mathematic principles such as addition, subtraction, etc., we could easily send to kindergarten children who would find that experience boring and repetitive. This would, without a doubt, defeat our purpose.

During your child’s time with us he/she will learn such things as recognition of colors, shapes, people in their community (like a banker, firefighter, letter carrier, etc.), numbers, letters, and other basic elements of their environment. Primarily, however they will learn to be with other youngsters their own age and begin to try and test their own, individual skills at socialization.

We are dedicated and committed to this sense of purpose. Our success as a nursery program will be judged by many factors, but if we lose sight of our primary purpose - to provide a solid basis to begin the learning process - then we will no longer be St. John’s Bath Nursery School.

FORWARD

Members of St. John's Evangelical Lutheran Church of Bath are constantly aware of their roles as active members of the Bath Community. We recognize that as members of that community, we have an obligation to seek out, identify, and meet need we all share. Such a need we have identified is for a quality program for preschool youngsters.

We recognized, immediately, that many fine programs already serve the general Bath area. Our desire is not to compete with any of these programs already in existence. Instead we saw that there was a need to offer such programming within the town of Bath. The need is great and far surpasses the present attempts to meet that need. Thus, we are proud to join others in offering this service to all.

We are prepared to offer this service for as long as it is seen as a need within our community. We pray that God will bless our efforts and continue to guide our thoughts, words, and deeds.

Sincerely,
Nursery School Committee

**No child
will be discriminated against because of
race, sex, color, national origin, religion or handicap.**

(St. John's Bath Nursery School Board)

Bad Weather

In the event of bad weather please tune in to WFMZ Channel 69 News for delays and closings. Our school will display on the bottom ticker on your screen. You can check the list or download their App for alerts at WFMZ.COM. If there is a delayed opening we will have classes 10:30-12:30 and no Lunch Bunch.

Pick Up

Please notify your child's teacher if someone not on your original pick up list will be picking up your child. If a change occurs during the class session please call the school office at 610-837-9868. Children should be picked up promptly at dismissal. Being picked up late can be very upsetting to young children. Also the staff may have other obligations after the session ends. Children must be brought into the school and you must wait with your child in the hall until the teacher opens the classroom door.

Communication

We recognize that parent's desire to know how their child is doing in our program. Communication between our teachers and parents is essential. Parents should feel free at any time to ask the teacher how their child is doing. Teachers are available at the door before and after school. For extended conversations we ask that you make an appointment with the teacher so as to not take away from your child's class time. 610-837-9868.

Lunch Bunch

Lunch Bunch is held on designated days throughout the school year. (October thru May)

11:30-12:30

The cost is \$5.00

Pack your child a lunch; we will supply a drink and any paper and plastic ware needed. (We cannot heat anything up)

Sign your child up on the lists posted in the hall put your child's money in an envelope with their name on it and place in the mailbox.

This is an excellent opportunity for your child to practice lunch room skills, and a time to meet and play with new friends from the other classes here at St. John's.
